You are not alone GRIEF SUPPORT GROUP

For anyone who has lost a loved one to drugs or any other reason

First Monday and third Friday of every month from 6-8pm at the Leeds Firehouse on Route 23B in Leeds

Grief is a nasty game of feeling the weakest you have ever felt and morphing it into the strongest person you will have to become.

Spaces are limited. Email Jeanettec708@gmail.com to register for the group or for more information

I started this group in memory of my son Tommy who passed away in 2021. We all have feelings of confusion, depression, anger, suicide and loss. You have nothing to be ashamed about! We can talk it out together and help each other. You are not alone! We are a private group; no notes, no files. I am also trying to have a guest speaker each month to help us

have a guest speaker each month to help us understand more about drugs, mental health, surviving grief, and learning to cope.
